Harmony Day & National Day of Action Against Bullying and Violence

We will be holding our Harmony Day celebration, on 18th March. This is where our school community celebrates our cultural diversity. This day is about inclusiveness, respect and a sense of belonging for everyone. We would like to use this day to embrace cultural diversity within our school and to share what we have in common.

In conjunction with Harmony Day, next Friday is also the National Day of Action Against Bullying and Violence. This day is Australia’s key anti-bullying event for schools, and encourages all students to ‘take a stand together’ against bullying.

We welcome you to come and celebrate with us by bringing in a meal, that has cultural significance, to share with our community.

Students, staff and families are encouraged to wear ORANGE to help celebrate as this is the colour which represents both Action Against Bullying and Harmony Day. We look forward to seeing you next Friday.

Uniform for school photos is our Central school shirt (Not the sports uniform). It is important that every student wears their full school uniform on Monday with, of course, covered-in shoes.

This week the teachers and I held our first data conferences for the year. During data conferences the teacher and I consider the student assessments and we plan together for the next steps of teaching and learning for each child. The teacher will then assist students to develop their learning goals and over the course of the next unit of work, track their student’s progress towards achieving those goals. It has again been a privilege to watch the progress of our students and witness first hand the excellent work of our dedicated teachers.

Next term is 11 weeks in duration. No doubt this long term will be a test for some student’s because they are not used to such long terms. The positive side to having a long term for term 2, is that we have a great stretch of time where teachers and students are able to consolidate the learning.

I sincerely wish every family a happy and safe Easter break. Please make sure you return from your holiday safe and sound!

PS. Don’t forget the school disco to be held on 17th March. The theme for our first disco is “Jungle”.

Kind regards,
Kathy King
Principal.
