

Student Dress Code

MOUNT ISA CENTRAL STATE SCHOOL

Mount Isa Central State School is a uniform school. We have the support of our Parents and Citizens Association to promote adherence to the uniform. Our student dress code consists of an agreed standard and items of clothing, which includes a school uniform that Students wear when attending or representing their school.

The Mount Isa Central State School Parents and Citizen's Association supports a student dress code policy because it believes that a student dress code provides clothing that aims to contribute to a safe and supportive teaching and learning environment through:

- Ready identification of students and non-students at school;
- Fostering a sense of belonging; and
- Developing mutual respect among students by minimising visible evidence of economic or social differences.
- Promotes an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at school

The Mount Isa Central Student dress code reflects school community standards and is consistent with occupational health and safety and anti-discrimination legislation. We actively encourage our students to take pride in themselves and their school. As the parent/carer and provide of your child, we seek your support in this matter.

In appropriate dress standards refer to clothing, apparel or grooming of students that is deemed to be:

- Offensive;
- Likely to disrupt, or negatively influence normal school operations;
- Unsafe for student or others:
- Likely to result in a risk to health and safety of students or others; and/or
- Contrary to the image supported by the school community.

In circumstances where inappropriate or unreasonable dress is worn, appropriate action will be taken by the Principal. The Principal is responsible for making final decisions regarding the appropriateness of student presentation.
